Important Dates

Faculty should begin providing electronic signatures for courses after the date corresponding to each part of term below.

Full Term (part of term I, all night classes)	September 29, 2009
First Term Courses (part of term 3)	September 8, 2009
Second Term Courses (part of term 4)	November 6, 2009

Signatures should be provided as soon as the census dates passes. Audit deadlines are determined by the State Board of Community and Junior Colleges (SBCJC). The deadline for signatures fluctuates, and for this reason we ask the e-signature be provided as soon as a course reaches its census date.
